

# Paranormal Investigation Chawton House

## 31<sup>st</sup> October 2009

7.30pm until 2.00am

You are invited to join the staff of Chawton House Library and the Shadow Seekers Ghost Group to investigate Chawton House for paranormal activity during the night of Halloween.

Guests will be able to use equipment such as EVP recorders (electronic voice phenomenon), cameras, dowsing rods, crystals and EMF readers (electro motive flow).

You will be given the opportunity to conduct experiments such as table tipping and hold vigils in some of the rooms at Chawton House where paranormal activity has been reported.

During the long and interesting history of Chawton House, several sightings of the 'Grey Lady' have been made as well as disembodied voices, and the ghostly figures of a nursemaid and a male servant have been seen in the house. Staff working at the house have witnessed ghostly figures at windows and have heard strange voices on a number of occasions.

The evening will begin at 7.30pm and end at approximately 2.00am. A light supper will be provided with tea and coffee available throughout the evening. The cost for the investigation including all refreshments is £40 per person.
